Cong Son Duong

Digital Marketing Executive | Paid Social, Content Production and E-commerce

Manchester, UK (open to relocation) | +44 7474 290911 | son16072003@gmail.com
Portfolio: congsonduong.github.io | LinkedIn: linkedin.com/in/cong-son-duong

Eligible to work in the UK without sponsorship (UK Graduate Route)

PROFILE

Marketing graduate (MSc, Distinction) with hands-on experience running Meta campaigns for a direct-to-consumer brand across four international markets, and producing the ad creative behind them. Comfortable owning a campaign end to end, from script and edit to launch, tracking and optimisation against revenue targets. In the UK I worked part-time at a Korean supermarket in Norwich, where I also appeared in its Instagram Reels.

KEY SKILLS

Paid social: Meta Ads Manager (Facebook and Instagram), sales and click-to-message campaigns, audience targeting, A/B testing, budget pacing against cost-per-result targets

Tracking and reporting: Google Analytics 4 and Google Ads Search (certified), Meta Pixel, UTM tagging, CTR, CPC and ROAS, Excel, Google Sheets, Python

Content and design: Premiere Pro, After Effects, Photoshop, Illustrator, Canva, CapCut; scripts, ad copy, short-form video

Social and e-commerce: Meta Business Suite, content calendars, copywriting, Amazon Seller Central, keyword research, listing optimisation, WordPress and Shopify (basic)

EXPERIENCE

Marketing Executive, Media and Advertising | Digiphar Co., Hanoi, Vietnam Aug 2024 to Dec 2024

- Launched and managed Meta sales and click-to-message campaigns for a health and wellness brand in Thailand, the Philippines, Cambodia and Laos, monitoring daily against cost-per-result targets.
- Met my probation sales target with ad spend held below 32% of revenue (KPI: no more than 33%); one three-week campaign produced about **£2,300 in recorded sales**.
- Wrote scripts, hooks and ad copy and edited **30+ video ads** in Premiere Pro and After Effects, launching each campaign with 2 to 3 variants and using UTM and Meta Pixel data on CTR and CPC to replace underperforming ads.
- Coordinated **6+ advertising shoots** with international actors, managing production budgets of up to £3,000 and delivering assets on schedule.

Shop Assistant | Itaewon Korean Supermarket, Norwich Oct 2025 to Sep 2026 (part-time)

- Appeared on camera in the shop's Instagram Reels, from comedy skits to talking-to-camera videos filmed in store.
- Customer service and sales, stock intake, supplier orders and in-store promotions, alongside full-time MSc study.

Sales and Marketing Assistant | Minh Thuan Mart, Haiphong, Vietnam May 2021 to Mar 2023 (part-time)

- Grew the store's Facebook page by **1,000 followers in six months** through a planned content calendar, Canva visuals and small paid seasonal campaigns.
- Drove a **15% increase in repeat customers** and a **12% increase in average daily sales** through personalised recommendations and customer follow-up.

Creator and Producer | One Strange Fellow, gaming YouTube channel 2023

- Researched, scripted, voiced and edited around 20 videos and designed every thumbnail, testing hooks and titles against what already performed in the category.

Amazon Listings and Product Research | ZENDA, print-on-demand 2021 (part-time)

- Optimised Amazon titles, bullet points and backend search terms through keyword research, and created product mock-ups in Photoshop and Illustrator.

EDUCATION

MSc Digital Business and Management, Distinction | University of East Anglia 2025 to 2026

Dissertation (85%): AI disclosure in the FTSE 100, built from 83 annual reports I coded by hand, matched to patent and financial data, and analysed with regression in Python.

BSc Marketing | National Economics University, Hanoi 2021 to 2025

CERTIFICATIONS AND LANGUAGES

Certifications: Google Analytics 4 and Google Ads Search (Sep 2026), IELTS 8.0 (Mar 2025), ICDL Microsoft Office
Languages: Vietnamese (native), English (fluent), Japanese (intermediate, JLPT N4 to N3)
